The board of directors of any water control and improvement district in this State, embracing lands in two or more counties, and containing not less than 125,000 acres, by their resolution duly adopted, by referring to this law and adopting the same, are authorized to exclude lands from any such district, in accordance with the provisions of this Act and the method herein and hereby prescribed; provided, however, that the provisions of this Act shall not apply to and govern any such water control and improvement district unless and until this law is adopted by a two-thirds vote of the board of directors of such district, had at a regular meeting thereof, and entered upon the minutes of their proceedings, and a copy of the same signed by the president and attested by the secretary, under the corporate seal, filed and recorded in the office of the county clerk of each county in which any portion of the lands of such district are situated, and the provisions of this Act shall then be in force.

"Sec. 2. Whenever the owner or owners of any lands situated within the limits of any water control and improvement district adopting the provisions of this Act, shall sign and present a petition to the president of the board of directors of any such district, praying that such lands, setting the same out by metes and bounds, be declared no longer a part of such district, the board of directors of such district, by resolution, shall order and direct the secretary of such board to issue a notice of the

filing of such petition, and by such resolution, shall fix a time and place at which such petition shall be heard by the board of directors, which date shall be not less than thirty (30) nor more than sixty (60) days from the date of the resolution ordering the issuance of such notice; provided, however, that no such petition can be presented or filed unless the lands proposed to be excluded, and described in such petition, shall exceed five hundred (500) acres.

"Sec. 3. The notice of the hearing shall inform all persons concerned of the time and place of hearing, and of their right to appear at such hearing and to contend for or to protest the exclusion of any such land or lands. Such notice shall be addressed or directed 'To all Landowners, Taxpayers, and Bondholders of _____ County Water Control and Improvement District No. — (inserting the name of the district and the name of each county in which any portion of the district may be situated), and all other persons concerned.' Such notice shall state the amount of bonds then outstanding against the district, and a certified copy of such notice shall be posted in three public places within the district, and one copy shall be published once each week for a period of thirty (30) days prior to the date of such hearing, in a newspaper having a general circulation throughout the district, and the date of the first publication of the notice of hearing shall be not less than thirty (30) days prior to the date fixed for such hearing.

"Sec. 4. Such hearing may be adjourned from day to day and from time to time as the board of directors of the district may deem necessary and advisable.

"Sec. 5. If, by the time set for the hearing of any such petition, the owners of all outstanding bonds of any such district, either in person or by representative, submit and file with the secretary of the board of directors of such district, in writing, a permit for the exclusion of such land or lands, the board of directors of such district may, in its discretion, by resolution duly passed and entered upon the minutes of its proceedings, declare such land or lands no longer a part of such district, and a copy of such resolution, signed by a majority of the members of the board of directors of

such district, and duly attested by the secretary, shall be filed and recorded in the deed records of the county in which the withdrawing land is situated; and such land shall be no longer a part of the district from and after the recording of the copy of such resolution; provided, that the withdrawing land or lands shall not be released from the payment of its pro rata part or share of any indebtedness, bonded or otherwise, existing on the date of such withdrawal, but it shall be the duty of the board of directors of such district to continue to levy a tax each year on such withdrawn land of the same rate as is levied upon other lands of the district, until the taxes collected from such withdrawn land shall equal its pro rata share of the indebtedness of the original district at the time of the withdrawal; provided, further, that nothing herein shall prohibit the owner or owners of any lands so withdrawn from paying in full at any time such withdrawn land's pro rata share of the indebtedness of the original district, or to refund or adjust such land's pro rata share of such debts on such terms and conditions as may be mutually agreed to between all the owners of such withdrawn land or lands and all the owners or holders of bonds existing against such district at the time such lands are withdrawn therefrom; it being the intent hereof to provide and to require that whenever any tract or parcel of land is excluded or withdrawn from any such district, such withdrawn land shall be subject to all lawful debts of such district, in such proportion as the taxable property so taken from the district bears to the whole of the taxable property in such district, as it existed during the tax year when any such land is so withdrawn. Such withdrawn lands shall in every respect continue subject to the jurisdiction of the taxing authorities of such district, including the board of equalization, until the pro rata share of existing debts pertinent thereto at the time of withdrawal have been fully paid off and discharged.

"Sec. 6. Whenever any water control and improvement district, adopting the provisions of this Act, has authorized the issuance of any bonds, and the same, or any portion thereof, have not been sold or put into circulation, the withdrawal of lands from any such district, in conformity with the

provisions of this Act, shall result in a cancellation of all such unsold bonds and annexed interest coupons.

"Sec. 7. It shall be the duty of the board of directors of any such district, within a reasonable time after the withdrawal of lands from such district, to adopt a resolution redefining the bounds and limits of such district so that they shall show the exclusion of such lands; and when such resolution has been duly passed, the secretary of such district shall enter and record such resolution in the minutes, or records, of such board of directors, and a certified copy of such order shall be promptly filed in the office of the county clerk of each county in which any of the lands remaining in such district are situated, and such certified copy shall also be recorded in the deed records of each such county.

"Sec. 8. The public importance of this measure creates an emergency and an imperative public necessity, requiring that the constitutional rule, requiring bills to be read on three several days before final passage, be suspended, and such rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

(2)

Amend the caption of House Bill No. 729 so that the same shall hereafter read as follows:

"H. B. No. 729,

A BILL

To Be Entitled

An Act to authorize the withdrawal or exclusion of lands from water control and improvement districts which embrace lands in two or more counties, and containing not less than 125,000 acres, after the provisions hereof are adopted by a two-thirds vote of the board of directors of any such district, by resolution and entered of record upon the minutes of such board, and a copy thereof recorded in the office of the county clerk of each county in which any portion of the lands of such district are situated; providing that no petition for exclusion of lands shall be presented or filed unless the lands proposed to be excluded, and therein described, exceed five hundred (500) acres;

prescribing the method of procedure whereby lands may be withdrawn or excluded from any such district; providing that such withdrawn lands shall continue to pay their pro rata part of the debts of such district existing at the time of withdrawal; authorizing landowners and bondholders to refund or adjust bond debts existing on lands excluded or withdrawn from any such district; providing for cancellation of unsold bonds of any improvement district from which lands are excluded or withdrawn; enacting provisions incident and necessary to the subject and purpose of this Act; and declaring an emergency."

The amendments were severally adopted.

House Bill No. 729 was then passed to engrossment.

SENATE BILL NO. 148 ON SECOND
READING

The Speaker laid before the House, on its second reading and passage to third reading,

S. B. No. 148, A bill to be entitled "An Act to amend Article 1302, of the Revised Civil Statutes of the State of Texas, 1925, by adding a new Section, to be known as 95-a, to provide for the creation of corporations for the purpose of dealing in agricultural commodities, poultry, dairy products, and live stock produced in the United States; enumerating the power and authority of such corporations, and declaring an emergency."

"Sec. 2. No corporation authorized under the provisions of this Act shall be permitted to own or operate more than one establishment or place of business under the same charter.

The fact that the present statutes of the State of Texas are inadequate to permit the formation of corporations to engage in the business above set out, and the fact that the financing, carrying, and orderly marketing of the agricultural commodities, poultry, dairy products, and live stock above-named makes necessary the formation of corporations under the laws of this State for such purposes create an emergency and an imperative public necessity that the constitutional rule, that bills be read on three several days in each House, be suspended, and the same is suspended, and this Act shall take effect and become a law from and after its passage, and it is so enacted."
